Apologies. For both Rudy and I, this is taking place at a venue we have worked with in the past, and that I inspected last year. We are fine with the event and I believe Rudy would say his standard comments apply. We recommend approval. Dave Z

I have not received your department recommendation for the 2DaRescue special event liquor license which is on the next agenda. Please have your recommendation to me no later than 5 p.m. today for it to be included in the packet material.

Thanks.
