Subject: RE: Application for Acquisition of Control and Agent Change for Walgreens #06333

Jan:

The Planning Division has no objections to the acquisition of control and agent change for the long established B-1/PD (General Commercial by Planned Development)-zoned Walgreen's store at the southwest corner of Ironwood and Southern. We note that, building to building, the Walgreen's store is over 300 feet away from the nearest A.J. High School buildings across the street and to the east of the store.

I have received an application for an Acquisition of Control and Agent Change for Walgreens #06333 located at 2440 S. Ironwood. Please have your department recommendation to me no later than Tuesday, June 6, in order for this item to be on the June 20 agenda. This is the second Walgreens item. Please forward recommendations for both.
