

ORDINANCE NO. 1455

AN ORDINANCE OF THE MAYOR AND CITY COUNCIL OF THE CITY OF APACHE JUNCTION, ARIZONA, AMENDING THE APACHE JUNCTION CITY CODE, VOLUME II, LAND DEVELOPMENT CODE, CHAPTER 1: ZONING ORDINANCE, ARTICLE 1-5: RESIDENTIAL BULK REGULATIONS, SECTION 1-5-2: RESIDENTIAL BULK REGULATIONS, IN CASE AM-3-17; REPEALING ANY CONFLICTING PROVISIONS; AND PROVIDING FOR SEVERABILITY.

WHEREAS, on May 6, 2014, the city council adopted Ordinance No. 1402, which approved new zoning maps and a new zoning ordinance for the city; and

WHEREAS, it is a widely held community planning and neighborhood revitalization strategy to "put more eyes on the street" and one such way is to encourage residents to spend time on their front porches; and

WHEREAS, the city's current zoning code does not allow encroachments into the front yard setback and many homes were built to the front setback line and therefore do not have the ability to add a front porch or patio cover; and

WHEREAS, other communities have language in their zoning codes to allow front porches or patio covers to encroach into the front yard setback as a means to improve neighborhood quality and character; and

WHEREAS, on October 24, 2017, after a public hearing and two work sessions with staff, and after considering suggested language changes from commissioners, planning and other city staff, other interested individuals and comments from the public, the Planning and Zoning Commission voted 7 to 0, to recommend changes to the city's zoning ordinance allowing patio covers and front porches to encroach into the front yard setback.
