Mayor Serdy commented he
wanted to encourage them to bring KISS back. The concert they
had a few years ago was very interesting.

Mr. Bill Kimball stated that
was not Kiss. They were fake.

Mayor Serdy commented they
had him fooled. He thought it was the real KISS.

Councilmember Barker asked
what time the event would be.

NEW BUSINESS

ANNUAL APPOINTMENTS AND
REAPPOINTMENTS TO CONSTRUCTION CODE
BOARD OF APPEALS, HEALTH AND HUMAN
SERVICES COMMISSION, INDUSTRIAL
DEVELOPMENT AUTHORITY AND MUNICIPAL
PROPERTY CORPORATION BOARD)

) City Clerk Kathleen
Connelly briefed the council on the item.

Mayor Serdy commented they
would do the Construction Code Board of Appeals first. He
called for a motion on the first one.

Councilmember Struble commented because they are lacking applications for these particular positions, he asked about Jesse Gage, also on the parks and rec commission and the sewer district, who is also a mining engineer. He asked staff to check and see if that would qualify to fill in the engineer position on this board.

Mayor Serdy asked if he would like to nominate him.

Councilmember Struble commented he wanted to know first of all if he is eligible.

City Manager Bryant Powell asked the city attorney if he is eligible.

City Attorney Joel Stern stated it does not really say in the code whether it can be a mining engineer. It just says architect or engineer. He believes that is a form of an engineer so he would say he can nominate him for that.

Councilmember Waldron asked if Jesse Gage wants to do it.

Councilmember Struble commented he talked to him today and he agreed.

Mayor Serdy called for a nomination for him with a term to expire October 31, 2018.

Councilmember Struble MOVED THAT JESSE GAGE BE APPOINTED TO THE CONSTRUCTION CODE BOARD OF APPEALS IN THE CATEGORY OF PROFESSIONAL ARCHITECT OR ENGINEER FOR A TERM TO EXPIRE OCTOBER 31, 2018.

Vice Mayor Wilson commented it should be 2019.

SECONDED THE MOTION.

Councilmember Waldron

VOTE: Unanimous.

The motion carried.

Mayor Serdy commented there is another motion for that board.

Councilmember Waldron commented they are out of people.

Mayor Serdy commented that they need two other positions for that.

Councilmember Barker commented they do not have a general contractor. We do not have anyone for either of those. So that is it.

Mayor Serdy commented they have to skip the next three.

Councilmember Barker commented that is correct.

Mayor Serdy commented they have an applicant for lay person.

Councilmember Barker commented she resides out of town.

Councilmember Struble commented he thought the lay person could be out of town.

Councilmember Barker commented not on the Construction Code Board of Appeals.

Mayor Serdy asked if that will give them a quorum on that board.

Councilmember Barker commented it does not matter at this point.

City Attorney Joel Stern
stated they are looking at the possibility of not getting a
quorum.

Councilmember Barker
commented they could go out again.

City Attorney Joel Stern
stated they could go out again. But if they do not have a
quorum then they still could meet because they did not fill it
because of the impossibility, if they want to call it an
impossibility, because they cannot come up with a name.

Vice Mayor Wilson commented
they could fill it with one of the people that have been
currently nominated.

City Attorney Joel Stern
stated that is correct.

Mayor Serdy asked if anyone
would recommend that we send this back out for more volunteers.

Vice Mayor Wilson commented
he would.

Mayor Serdy commented they
could do that in the interim and try it again in a month or so.

City Manager Bryant Powell
stated they could maybe tie that in for a council direction to
staff because of a sewer district letter he received. They can
come back in a few weeks. They can include this one when they
go out to recruit.

Councilmember Struble
commented when they advertise for that particular board they
specifically say what the city specifically needs.

City Clerk Kathleen Connelly
stated that is correct.

Councilmember Barker
commented they need to put in big, bold letters "attention
contractors, you are needed".

City Clerk Kathleen Connelly
stated to give them some perspective, this board has not met
since Camboni. It has been a while.

City Attorney Joel Stern
stated it almost did during the Blue Bell incident with the
wall.

City Clerk Kathleen Connelly
stated but they did not meet.

City Attorney Joel Stern
stated that was back in 2006.

Mayor Serdy commented they
are going to jump to Health and Human Services.

Councilmember Waldron MOVED
THAT SHARLEEN SHIELDS BE APPOINTED TO THE HEALTH AND SERVICES
COMMISSION FOR A TERM TO EXPIRE OCTOBER 31, 2020.

The motion carried.

Mayor Serdy called for a motion on the next position.

Vice Mayor Wilson asked if they could add these to when they go out for the other applicants.

City Manager Bryant Powell stated they could certainly do that.

There was general discussion among the council regarding the applicants and when this board meets.

Councilmember Barker commented she was ascertaining that it does meet once a year.

Councilmember Struble commented the last time they did appoint people from other boards into this to be other board members. They did not necessarily apply for them. He asked if they could do that here if the people were okay with that. He had talked to a couple of people that would be willing to do it.

Councilmember Barker commented they should put this out for applications for those people and have them fill the application out for when they do the sewer district for their person and when they do the Construction Code Board of Appeals.

Mayor Serdy commented he thinks they may have one nomination and they will have one more that they have to put out.

Councilmember Waldron MOVED THAT BRADEN BIGGS BE APPOINTED TO THE MUNICIPAL PROPERTY CORPORATION FOR A TERM TO EXPIRE OCTOBER 31, 2020.

Councilmember Rizzi SECONDED THE MOTION.

VOTE: Unanimous.

The motion carried.

Mayor Serdy commented they will add the other one to the other recruitment.

Councilmember Barker commented that works.

Councilmember Struble asked if they had any other positions from the other boards and commissions or have they been completely filled.
