Jan, I did an inspection of Dolce Vita's main hall last year and found it was properly maintained and met the code requirements for hosting large assembly events. The Building Division recommends approval of this special event license.

Respectfully,

**Subject:** department recommendation for special event liquor license

This is a reminder that I have not received your department recommendation for the special event liquor license for the Boys and Girls Club at Dolce Vita for April 21, 2018. It is also on the March 20 agenda and is due by noon today.

Thanks.
