Jan:

The Planning Division has no objections to Circle K assuming convenience store, gasoline dispensing and liquor sales services at 2341 S. Ironwood Drive. The property is zoned B-1/PD (General Commercial by Planned Development) and has always been operated as a convenience store, first by Diamond Shamrock, then Valero and now Circle K. Please advise the applicants to check with Development Services for any building remodeling and/or new sign permits which may be required. Contact me with any zoning related questions. Thanks.
