Subject: Discussion/Presentation of Fiscal Year 2018-19 Street Maintenance Plan

City staff respectfully brings forth the Fiscal Year 2018-19 Street Maintenance Plan for presentation and discussion. The presentation will highlight the street maintenance and capital improvement projects planned to be implemented within the fiscal year, July 1, 2018 through June 30, 2019.

Presentation is for information purposes and the opportunity for councilmembers to ask questions. A hardcopy map will be provided showing the location of the work planned and be available for future reference. Many projects in the plan identified to be done by contractors will come back to city council per city's procurement rules for award. As the year moves forward, Public Works plans to keep city council abreast of any significant changes to this plan.
