License Testing Services intergovernmental agreement (IGA)

Staff respectfully requests City Council approval allowing the mayor to sign into an IGA with Pinal County for the city's use of Pinal County's CDL testing services. Presentation and discussion of this IGA will be offered for city council work session with a planned return for a regular session meeting for approval with accompanying resolution in later June 2018.

The attached IGA is for your review and defines the responsibilities of this agreement between the two parties. This IGA would facilitate both entities' efforts to collaborate on opportunities to gain efficiencies and better serve our constituents.
