Through: Bryant Powell, City Manager  
Mike Wever, Public Works Director  
From: Shane Kiesow, Public Works Manager  
Subject: Project # PW2018-13 Award

City staff respectfully requests city council consideration of award of contract to Sunland Asphalt for project PW2018-13 for the crack and fog sealing of the Apache Trail including a portion of the Old West Highway from Meridian Drive to Idaho Road. This work is included in the FY 2018-2019 Street Maintenance Plan. This Plan was presented and discussed at city council work session on April 4, 2018.

To lessen the impacts to traffic, business and adjacent residential streets, the fog seal work will be planned for the night-time hours only with no weekend work. Public notification is planned to include notifications along with the usual news releases.

Project would be funded with the city's street sales tax.
