Hi Kathy:

Regarding the Mardi Gras event at Dolce Vita on March 3, 2019, we will have assigned volunteers monitoring the doors in order that no open bottle of liquor will be taken from the premises. Those who wish to purchase alcohol will be required to have a wrist band on. The volunteers who are selling the beer and wine and food have been licensed thru Dolce Vita.

The past 4 years of the Mardi Gras, we have had no underage people attending. As I indicated before, this will be in a 55+ Gated Community club house.

I hope I have answered the concerns regarding this fundraising event.

Thank you

Nancy Fassbender, Board Member

I support the event but it does not adequately explain what type of security they will use. It simply states Adequate Adult Staff and Held at 55 Plus community. Are they going to have someone to make sure alcohol is not taken off the property and there is no underage drinking?

I have received a request for a special event liquor license from the Pinal County Veterans Memorial Foundation for an event at Dolce Vita, 3301 S. Goldfield Road, Apache Junction for March 3, 2019. Please conduct your review and have your department recommendations to me no later than Wednesday, August 29, 2018 in order for this to be on the September 18th city council agenda. Thanks.
