SUBJECT: Annual Board/Commission Interviews

The positions to be filled for all of these boards and commissions have terms of office which expire on October 31, 2018.

Most individuals whose terms are expiring have indicated a desire to be reappointed. All new applicants and those wishing to be reappointed were requested to apply online at www.ajcity.net/boards. News releases were put in the newspaper, on the website and current members were contacted by e-mail and advised of the application process. The following attachments for each board / commission include:

- a.) Spreadsheet stating the current members, attendance records, members wishing to be reappointed, new applicants and additional comments for the specific board
- b.) Copies of the talent bank applications

If an applicant for reappointment/appointment is currently on another board/commission, it is noted under "Additional Comments" on the cover sheet for each board or commission.

Letters for those that do not have email addresses and emails to those that do have email addresses were sent to all of the above listed applicants to attend the interview session.
