Kathy:

The planning division has no objections to this limited use bingo license request. The bingo activity, as we understand it, is for park residents and their guests only. The activity should not be advertised to the general public as the property is not zoned commercial, nor is it a commercial venue. No exterior signage advertising the bingo activity is allowed. Please contact me with any zoning related questions. Thanks.

Subject: Bingo license applications - Weavers Needle RV Resort

I have received two applications for a bingo license for Weaver's Needle RV Resort, 250 S. Tomahawk Road. They are only requesting one license but state law requires separate applications for each person responsible for the bingo activities. We do not often get bingo license applications but the inspection and comment process is the same as for a liquor license. Please conduct your review and submit your department recommendations to me by Thursday, September 27, 2018 in order for this item to be on the October 16th city council agenda. Thank you.
