Subject: Bingo license applications - Weavers Needle RV Resort

I have received two applications for a bingo license for Weaver's Needle RV Resort, 250 S. Tomahawk Road. They are only requesting one license but state law requires separate applications for each person responsible for the bingo activities. We do not often get bingo license applications but the inspection and comment process is the same as for a liquor license. Please conduct your review and submit your department recommendations to me by Thursday, September 27, 2018 in order for this item to be on the October 16th city council agenda. Thank you.
