Jennifer,

The Planning Division does not have any comments. There have been numerous events at this location.

Dave Zellner, the Building Official is out until next Monday.

Thanks, Larry

**Subject:** Special Event LL for Jan. 26

Good morning,

The City Clerk's office has received an application for a Special Event Liquor License for the Superstition Harley-Davidson, 2910 W. Apache Trail for the Salt River Wild Horse Management Group to be held January 26, 2019. Please conduct your review and if you would please have your department recommendations sent back to us no later than Monday, December 31, 2018 by 1:00 p.m. in order for this to be on the January 15th city council agenda.

I realize this time frame is different than Kathy usually requests, but I have noticed a few key staff members are out of the office today and may need a bit more time to conduct your research.

Sorry for the short notice, we just received the application.  
Thank you

Jennifer Pena, Deputy City Clerk
