Maureen:

The Planning Division has no objections to the folks at Rancho Mirage having a bingo license for the enjoyment of their residents and their invited guests. However, please advise the applicants to not place signs or banners advertising the events in the city's right-of-way and/or which will be visible from the city's right-of-way. The property is not zoned commercial and the activity is to be low key for residents and guests, not the general public. Thanks.
