Come on out to the Trunk or treat at Flatiron community park! Across the street from our agency!

 **Steve Leitzell** Great turn out. As a business and property owner, looking forward to what is to come, opportunities to benefit the community we grew up in.

Upcoming events for the Smythe neighborhood

Neighborhood Clean-up

April 18, 2015, from 8 am to 12:00 p.m.

Location: For your convenience, dumpsters will be placed along 5th Avenue.

What you can bring: Regular household trash, yard clippings and debris.

Items you can't bring: Hazardous waste including: Anti-freeze, batteries, motor oil, paint, tires, appliances, electronics and trash from business or commercial interests.

Need help? If you are unable to transport your items, please contact Heather at 480-474-2635 by April 13, 2015. Volunteers will be arranged to remove your items from your yard on the morning of the event. Volunteers will not be permitted to lift anything over 50 pounds and they may not enter your home.

This program would not be possible without the support of:

Free Dump Week

May 11-16, 2015, from 6 am to 4 pm

Location: Republic Services Landfill — Baseline and Tomahawk

What you can bring: One truck load per household (must show proof of city residency) of regular household trash, debris, and yard clippings. Contact the landfill for more information at 480-982-7003.

This program is sponsored by:

Clarence Neighborhood Clean-up

Published on December 1, 2018

There will be a neighborhood clean-up event in the Clarence neighborhood—W Superstition (North), Ironwood Dr (East), Apache Trail (South) and Delaware (West)—on Saturday, December 8, from 8 a.m. to Noon. The general public living in the neighborhood will be allowed to stop by select locations and dump off Non-Hazardous household waste into dumpsters free of charge. This waste can include regular household trash, yard clippings and debris only. No other items can be dumped. Absolutely NO hazardous waste of any kind will be accepted.

Dumpster locations: Arizona Water Vendors: 1771 W Superstition Blvd.; First Assembly of God Church: 651 N Ocotillo Dr.; Desert Chapel United Methodist Church: 462 N Palo Verde Dr.; VFW Post 9399: 133 N Saguaro Dr.; Next to 2063 W Gregory St; South side of the street on the right of way

The **Apache Junction Community Development Corporation** is dedicated to helping Apache Junction by improving the community through neighborhood cleanup and aesthetic improvement projects. For more info., contact Fox Young at fyoung@ajcity.net or call 480-474-5086

School District to Study Possible Bond

Another area covered was the accumulation of trash in some yards, alleys etc. Staff suggested that, in order to eliminate the unsightly and unhealthy problem, all garbage would need to be kept in approved receptacles. They would need to be sealed against insects, odors and leakage, as well as easily cleaned.

Additionally, the staff recommends the fines for violations be raised from \$250 for the first offense to \$350, and from \$500 for the second offense to \$600. The third offense within a 24 month period will become a criminal offense with a fine of \$1,000.

The Council will have another work session on this issue before voting on the code changes line-by-line. They also decided, if passed, there would be a three to six month education outreach before the code goes into effect.

The Council also heard a presentation and held a discussion on proposed Ordinance No. 1466 authorizing the Apache Junction Municipal Court to implement a home detention and electronic monitoring program.

According to a staff memo, "home detention occurs when a defendant, instead of serving their sentence in jail, is sentenced to electronic home monitoring by the court." Electronic home monitoring requires a defendant to wear an ankle device that transmits a signal detailing its location. Home Detention is voluntary for the defendant and provides an alternative to being held in the County Jail.

Median & Infrastructure

- GOAL 3.1 Visually enhance the median to link the three zones
- GOAL 3.1 Improvements should include lighting, public art, signage and additional landscaping
- GOAL 3.1 On-street bike lanes should be added along Apache Trail
- GOAL 3.2 Median improvements should be done systematically and in a phased fashion
- GOAL 3.2 Landscape center medians should be added on key adjacent streets
- GOAL 3.3 Eight foot sidewalks should be added along both sides of Apache Trail
