Subject: First Amendment with Arizona Office Technologies

The city entered into a professional services agreement with Arizona Office Technologies (AOT) to assist in a comprehensive purchase of citywide copiers and managed print services utilizing the State of Arizona Contract #ADSP013-050379 on August 2, 2016 for a period of three (3) years with an option to renew or extend the agreement annually for an additional two (2) years.

Staff respectfully requests entering into the first amendment between the city and AOT beginning August 3, 2019 until August 2, 2020. The amendment will cover managed print services, which includes copiers and printers, on a monthly basis, parts, labor, service and toner for an approximate amount of \$40,000.
