Subject: RE: BINGO License Application - Edward Bergin-Golden Sun RV Resort

Maureen:

The Planning Division does not generally object to these types of bingo license requests, apparently for the amusement and enjoyment of winter visitors and their guests in some of the parks. We note that the application lacks a narrative. An explanation of how the bingo is run and how the Activities Committee benefits and uses the funds would have been helpful. We also note that the property is zoned residential and the activity should be primarily limited to Golden Sun residents and their guests, not for the public at large. Thanks.
