Date: July 7, 2020
To: Mayor and Members of the City Council
Through: Bryant Powell, City Manager
Mike Wever, Public Works Director
From: Shane Kiesow, Public Works Manager
Subject: Project #: PW2020-04 Award

City staff respectfully requests city council consideration of award of contract to Sunland Asphalt for project PW2020-04 for the fog sealing of select city streets as identified in the FY 2020-2021 CIP & Street Maintenance Plan. This Plan was discussed at city council work session on June 16, 2020.

Work entails a liquid asphalt fog seal applied to the street for preservation from the sun and rain. New street striping/markings will be applied where applicable. It is anticipated road restrictions will be during business hours only and only a disruption of short durations will occur to access ways. Public notification is planned to include fliers for area businesses/residents along with news releases of the upcoming work.

Project is anticipated to be funded with city's street sales tax monies.
