

Apache Junction Police Department Interdepartmental Memo

DATE: 7/30/2020

TO: Ms. Jillian Bright, Deputy City Clerk
City Clerk's Office

FROM: Lieutenant T. Parker

SUBJECT: Circle K Store #1556, Premise Liquor Inspection

Ms. Bright,

At your request I conducted a liquor and business inspection of the Circle K Store #1556, a local convenient store, at 2360 W. Broadway Avenue. The inspection/review occurred on 7/30/2020.

The main entrance is located on the south side of the building towards the roadway of West Broadway Avenue. At the time of my inspection the business was open. As I conducted the inspection I noticed the floor plan that was submitted with the application packet matched current floor layout. The product placement of liquor and beer will be within the designated areas listed within the store diagram submitted.

My inspection indicates the following:

- The nearest religious worship facilities are:
- Apache Junction Church of Christ at 609 S. Grand Drive and,
- Apache Junction Calvary Chapel at 2229 W. Broadway Avenue;
- All religious facilities however are outside the three hundred feet restriction in accordance with A.R.S. 4-207.
- The nearest school is Imaginary Prep Academy at 1843 W. 16th Avenue in Apache Junction.
- There are no known permitted childcare facilities nearby.
- Kim Kwiatkowski the applicant, has no significant contact with the Apache Junction Police Department.

Therefore, with our findings and observations this police department does not object in approving the liquor license for this establishment as long as all other laws and requirements have been met to the City of Apache Junction, County of Pinal, and State of Arizona.
