Subject: Project #: SST20-18 Award

City staff respectfully requests city council consideration of award of contract to Cactus Asphalt for project SST20-18 for the crack sealing of select streets within the city per the FY21 CIP & Street Maintenance Plan.

The work would be scheduled during the day only. It is anticipated only restrictions to residential travel lanes occurring with no road closures. Public notification is planned to include advance notice signage of upcoming maintenance, fliers for area residents along with a news release of the upcoming work.

Project is budgeted with the use of the city's street sales tax monies.
