Good Afternoon,

Due to Dave not receiving building plans prior to the liquor license application, I will be pushing the public hearing back to the September 15<sup>th</sup> council meeting. The owner turned in plans this past Wednesday so hopefully we will be good to go for the September 15<sup>th</sup> council meeting. Please submit your recommendations to me by September 1<sup>st</sup>. If there are any more issues that arise and we need to push this back again, I will let you all know.

Thank You,

Jill Bright
