TO: Ms. Jill Bright, Deputy City Clerk

FROM: Lieutenant T. Parker

SUBJECT: Lost Dutchman Order of the Eagles #3850, Liquor
Premise Inspection for Temporary Extension of
Premises for February 20, 2021

Deputy City Clerk Bright,

At your direction I conducted a liquor and business inspection and review of the Arizona Department of Liquor Licenses and Control application for a temporary extension of premises for the Fraternal Order of Eagles #3850 located at 2315 S. Coconino, within the City of Apache Junction. The inspection/review occurred on January 11, 2021.

In speaking with the applicant, Mr. William Kimball, the immediate past president of the local Eagles he advised that he and Mr. Michael Reed will be the two individuals providing security, in accordance with liquor regulations, for the event. Mr. Kimball advised both had attended and completed the Arizona Liquor Bar and Management training and both understand the seriousness of liquor violations to prevent them.

Mr. Kimball advised to his knowledge there will be no outdoor band or loud music occurring. The event will be from 1300 to 1700 hours. Should the desire to have outdoor music change he needs to ensure your office is aware and be mindful of the city noise ordinance.

The inspection included locating the nearest schools, daycare and religious facilities. They are as follows:

- There are no designated religious worship facilities or schools within immediate area as defined by liquor enforcement.
- The nearest schools are:
 - Apache Junction High School at 2525 S. Ironwood Drive and,
 - Cactus Canyon Junior High School at 801 W. Southern Avenue.
- These establishments fall outside the 300 foot restriction of ARS 4-207.
- There are no reported liquor violations documented within the Apache Junction Police Department database for this establishment.

Therefore, with our findings and observations this police department does not object in approving the temporary extension for their event for one day, Saturday February 20, 2021 providing all other statutory requirements per the City of Apache Junction, County of Pinal, and State of Arizona are met.
