MEMORANDUM TO: Honorable Mayor and City Council Members

THROUGH: Bryant Powell, City Manager

FROM: Liz Langenbach, Parks and Recreation Director

DATE: January 27, 2021

SUBJECT: Resolution No. 21-04 authorizing Inter-governmental Agreement with Pinal County for the design, construction and operation of an Off-Leash Dog Park at the County Complex located at 575 North Idaho Road

The property noted above is currently subject to an existing intergovernmental agreement ("IGA") that the city and the county entered into in 1994, to construct and maintain road improvements and a storm water detention basin. The parks department currently maintains the landscaping and the basin most affectionately called "Lake Grandy" on occasion.

In June of 2019, the city council gave direction to the parks and recreation staff to proceed on the design phase of a future dog park and work with county staff on the park at the above-noted location.

The parks and recreation commission has been involved in reviewing the dog park design over the last year and the public arts commission is considering placement of art at this new park.

Pinal County staff has been consulted at all milestones throughout the site selection and design process and is agreeable to the terms of the attached IGA.

Staff respectfully requests the council to authorize through Resolution No. 21-04 the city to enter into the attached IGA with Pinal County that sets forth the terms and obligations relating to the proposed dog park.
