### **Research Notes:**

- This law is very specific to the state of Arizona.
- The city can regulate the zoning, signage and delivery.
- The city can determine where it is allowed to locate based on zoning.
- The city can prohibit the sales within the city, but cannot prohibit the use of recreational marijuana (guaranteed by statute).
- Can always amend regulations at a later date.
- Home cultivation for a qualifying patient is based on the location of the qualifying patient and not the qualifying caregiver.
