

City of Apache Junction

Development Services Department

DATE: June 1, 2021

TO: The Honorable Mayor and City Council

THROUGH: Bryant Powell, City Manager
Larry Kirch, Development Services Director

FROM: Misty Moseley-Helber, Grants & Community Development Administrator

SUBJECT: Resolution No. 21-23 approving the IGA between the City of Apache Junction and Gila County for CDBG Allocation

REQUEST

Review and discuss Resolution No. 21-23, authorizing the City of Apache Junction to enter into an intergovernmental agreement (“IGA”) with Gila County for purposes of CDBG allocation with approval on the council consent agenda on June 15, 2021.

BACKGROUND

The City of Apache Junction and Gila County (the “Parties”) are members of Central Arizona Governments (“CAG”), which is charged with the administration and distribution of funds obtained through the Arizona Department of Housing for Community Development Block Grants (“CDBG”). Each year the Parties are eligible for participation in the funding and distribution process and CAG has authorized a procedure for switching funding years between communities.

DISCUSSION

The Parties believe that it is in their best interest to partner so that one community can make application in one fiscal year and the other in the next fiscal year, allowing that year’s applicant to receive double or increased funding. It is the intent of the Parties that Apache Junction will request funding for projects in fiscal year 2021 and Gila County will request funding for projects in fiscal year 2022. The IGA sets forth the details of this agreed upon arrangement.

RECOMMENDATION/ACTION REQUIRED

Staff respectfully recommends the city council:

1. Approve Resolution No. 21-23 on June 15, 2021 on the consent agenda.
