Public Participation Plan

April 14, 2021

Requests

Two of the real estate industry's most prominent companies, D.R. Horton and Brookfield Residential, have partnered to bring high-quality master-planned community development to the City of Apache Junction (the "City").

D.R. Horton's and Brookfield Residential's entitlement requests will encompass approximately 8,100 acres (the "Property") currently situated in Pinal County, south of the municipal boundaries of the City and is commonly referred to as the first phase of "Superstition Vistas", a 270 square mile area of land owned in trust by the Arizona State Land Department. The Property is made up of two parcels, the first is approximately 2,783 acres of land auctioned by the Arizona State Land Department ("ASLD") on November 4, 2020 where D.R. Horton was the winning bidder (the "Auction Property") and the second parcel consists of approximately 5,306 acres which is being retained by ASLD for future disposition (the "Retained Property").

The Auction Property and the Retained Property zoning will be processed as two separate applications for Master Planned Community ("MPC") zoning. D.R. Horton will be the applicant for the Auction Property and the ASLD will be the applicant for the Retained Property (collectively, the "Applicants"). Each application will be accompanied by a MPC plan containing the criteria by which the City will administer and regulate the zoning and development of the Auction Property and the Retained Property, respectively. Each MPC plan will include overall land use budgets. In addition to the MPC zoning requests, DR Horton and ASLD have filed applications to annex both the Auction Property and Retained Property into the municipal limits of the City and concurrently with the zoning requests will seek approval of pre-annexation development agreements and community facilities district development agreements (collectively "the Requests").

Public Participation Plan

D.R. Horton, Brookfield and ASLD intend to engage in an effective public participation effort in conjunction with the Requests. Specifically, the applicants will conduct in-person meetings or virtual meetings as necessary given the current circumstances arising from the COVI-19 pandemic. Any in-person meetings will be held in accordance with public health guidelines.

In-person, individual stakeholder meetings will be scheduled on a case-by-case basis. Invitation(s) to in-person or virtual meetings with large invite lists (ie owners within 300' of the Property) will be mailed by first class mail. Notice of virtual meetings shall be mailed a minimum of two weeks prior to such meeting. A minimum of two public open houses will be held and it is anticipated that the in-person open houses will take place at the City's Multi-Gen Center or other conveniently located venue. The Applicants will keep a record of the outcome of each meeting to be included in the Public Participation Report.

It is the intent of the Applicants to reach out to a broad variety of stakeholders who may have an interest in the development of the Property. Outreach will include:

- Apache Junction Mayor and City Council
- Apache Junction Planning and Zoning Commission
- Owners of real and personal property within 300' of the Property
- Apache Junction Unified Public School District

Recipient

300' Surrounding Property Owner

Dear Neighbor and Area Stakeholder,

D.R. Horton and Brookfield Residential have partnered to bring high-quality master-planned developments to the property commonly referred to as "Superstition Vistas". Superstition Vistas is a 270 square mile area of land owned in trust by the Arizona State Land Department (the "Department") for the benefit of Arizona's public schools. The purpose of this letter is to inform you of pending requests related to the annexation and zoning of the first phase of Superstition Vistas and to invite you to attend a public meeting to review the requests.

D.R. Horton and the Department have filed applications with the City of Apache Junction (the "City") to annex land into the municipal boundaries of the City and zone approximately 8,100 acres to Master Planned Community ("MPC") zoning. The 8,100 acres is made up of two parcels, the first is approximately 2,783 acres of land auctioned by the Department on November 4, 2020 where D.R. Horton was the winning bidder (the "Auction Property"), and the second parcel consists of approximately 5,306 acres which is being retained by the Department for future disposition (the "Retained Property").

We are planning to host two public open houses to provide you with an overview of the requests at the City's Multi-Generational Center, 1035 N. Idaho Road, Apache Junction, AZ 85119. The first open house is scheduled for Monday, June 14th from 6:00pm - 8:00pm and the second open house is scheduled for Wednesday, June 23rd from 6:00pm - 8:00pm. Each open house will include the same information but are being hosted on two different nights to provide options to fit your schedule. If you are able to join us, please RSVP to superstitionvistas@ablastudio.com. If you are not able to join us in-person and prefer to hear our plans virtually, you can also send us an email at superstitionvistas@ablastudio.com and we will make accommodations for you.

To Whom It May Concern:

We requested a report from School Facility Board regarding the district facility capacity listing. Based on their report, we recently reviewed the capacity of school buildings in Apache Junction Unified School District and determined that we have the capacity as follows:

	Capacity	ADM '20
Desert Vista Elem. School	688	529
Four Peaks Elem. School	530*	614
Peralta Trail Elem. School	731*	394
Superstition Mountain Elementary School	677	0
Cactus Canyon Junior High School	939	584
Thunder Mountain Junior High School	864	0
Apache Junction High School	1,885	974

*Four Peaks and Peralta Trail have the same footprint. We are looking into why the capacity is different for the two schools.

If you have any additional questions, please feel free to contact Apache Junction Unified School District at (480) 982-1110, ext. 2005.

Sincerely,

Krista Anderson, Ed.D.
