Subject: Resolution No. 21-42, Street Maintenance Exchange IGA

Public Works staff respectfully brings forth Resolution No. 21-42 for consideration. This resolution is for an intergovernmental agreement ("IGA") with Maricopa County for the cooperative maintenance of select portions of bordering streets with Maricopa County.

The streets that would be covered by this IGA are segments of Meridian Drive/Road and Baseline Avenue/Road. These streets are "scaloped" streets, where one jurisdiction owns one half while another jurisdiction owns the other half. This IGA will allow both jurisdictions to more efficiently coordinate maintenance activities in turn adding value by ensuring more timely street maintenance which betters the quality of the streets, beautification of the street corridors, and roadway safety.
