Presentation, discussion, and consideration of case AM-1-17, a city-initiated text amendment to the Apache Junction City Code Volume II: Land Development Code, Chapter 2: Subdivision Regulations. The text amendment proposes to re-format the chapter and update subdivision regulations and procedural policies. The "Subdivision Regulations" title is to be changed to "Subdivision and Minor Land Division Regulations." Other updates include, but are not limited to, adding regulations for lot line adjustments, condominiums, and assurances. Conditions and requirements for a preliminary plat and final plat have become an appendix to the chapter.

Director Larry Kirch discussed the changes to the subdivision regulations that will be presented during this evenings meeting.

Project Engineer Sam Jarjice gave a presentation on case AM-1-17, a city-initiated text amendment to the Apache Junction City Code Volume II: Land Development Code, Chapter 2: Subdivision Regulations. The text amendment proposes to re-format the chapter and update subdivision regulations and procedural policies. The "Subdivision Regulations" title is to be changed to "Subdivision and Minor Land Division Regulations." Other updates include, but are not limited to, adding regulations for lot line adjustments, condominiums, and assurances. Conditions and requirements for a preliminary plat and final plat have become an appendix to the chapter.

During the presentation, Director Kirch asked City Attorney Stern to explain the term "construction" in relation to this discussion. City Attorney Stern explained in this discussion and some parts of the document the word "construction" relates to the construction of the document.

Director Kirch and Project Engineer Jarjice continued their discussion with the commission on the text amendments.

The commission requested a clean version of the changes to review. Director Kirch said a clean copy will be sent to them as soon as possible. The commission will discuss the item again at the next meeting.
