## **F. Staff Report**

[21-443](#) Presentation and discussion on projects and opportunities in the parks and other service areas.

Director's Report - Director Langenbach welcomed Carol Otto the new Administrative Assistant for Parks and Recreation and asked her to introduce herself which she did. Parks Update - Director Langenbach stated that we heard from BLM regarding appraisal. The Notice of Realty Action, NORA, is making its way through the Federal level and when it is approved, the state BLM office will post notice that we have the intent to purchase the property. The land will be used for the same purpose it is being used for currently, which is recreational and will not be sold to developers. Director Langenbach gave a brief update on Silly Mountain and Superstition Shadows Park grants - they made it through State approvals and are now at the National Park level waiting for final approval. Monies and funding should be closer to December.
