Presentation and discussion on the Greater Phoenix Economic Council (GPEC) contract for economic development services in the amount of \$22,068.00, and appointment of a member of the council as the City of Apache Junction representative to the GPEC Board of Directors. A staff member from GPEC will be present to answer any questions the mayor and city council may have.

The City of Apache Junction became a member community of GPEC in 2007. GPEC's mission is to attract quality businesses to the Greater Phoenix region from around the world, and advocate and champion foundational efforts to improve the region's competitiveness. GPEC provides in-depth market data and analysis, site-selection services, and connections to Arizona's key leaders and companies. Renewal of the contract will allow GPEC to continue to provide these economic development services to the city for the period of July 1, 2016 through June 30, 2017.
