Title:	Consideration of approval for an award of contract to Viasun Corporation for the lining of the Delaware Drive drainage channel from approximately 23rd Avenue to Southern Avenue. The work would be through the cooperative Pinal County Job Order Contract #175623 in the amount of \$599,302.31, plus a 10% contingency for unforeseen change orders in the amount of \$59,930.23, for a total project cost not to exceed \$659,232.54. Work will result in the final phasing of a concrete lining from the Palm Wash entry of the channel to Southern Avenue; depending on final scheduling and weather conditions, work is planned for this coming May and June of 2021. This project was presented and discussed as part of the FY21 Capital Improvement and Street Maintenance Plan at the June 16, 2020 city council work session.
