Presentation and discussion by city staff regarding a visioning and planning project by the Arizona State University Masters of Urban and Environmental Planning "Capstone Workshop class." ASU masters students are working in conjunction with City of Apache Junction Planning, Public Works, Economic Development, and Parks and Recreation staff on a community visioning process and a multi-modal connectivity plan including bike lanes, sidewalks, and multi-use paths and trails. Staff will present a brief overview of the scope of the project consisting of a presentation that city staff gave to the class in January.
