Discussion on and consideration of approval of the Pinal County intergovernmental agreement for election services for the August primary election and, if necessary, the November general election. This proposed intergovernmental agreement with Pinal County is necessary in order to conduct the August 2016 city primary and November general elections. Through the intergovernmental agreement, we will obtain critical election and voter-related services to include sample and final ballots, ballot tabulation, precinct registers and signature rosters, early voting, and preparation and distribution of publicity pamphlets.
