Presentation and discussion on consideration of award for project PWC2018-24 Idaho Road Reconstruction. Project limits are Idaho Road from Lost Dutchman Boulevard to McKellips Road.

Public Works staff will present information on project PWC2018-24, that was not part of this fiscal year's Street Maintenance Plan. The reasons for the change in the plan along with the project's scope will be discussed. Public Works staff requests consideration of award for this project the following night, November 6, to allow needed time to get this project completed by the end of January 2019 before Lost Dutchman Days.
